### **Progyny to Drive Awareness of Infertility and its Importance to Patients, Their Employers and our Healthcare System**

NEW YORK, March 28, 2018 – Progyny, the leading fertility benefits management company, announced today its sponsorship of National Infertility Awareness Week® (NIAW) from April 22<sup>nd</sup> to April 28<sup>th</sup> and Night of Hope, hosted and organized by RESOLVE: The National Infertility Association.

"RESOLVE has been a leading advocate for those suffering with infertility and we are thrilled and honored to be working with RESOLVE as an official sponsor of their events," said David Schlanger, CEO of Progyny. "Together, we continue to drive awareness around the barriers to care and the importance of employer-sponsored coverage for fertility treatment."

"With infertility impacting one in eight people, it's imperative we provide patients with access to care like we do for every other medical condition and disease," said Barbara Collura, President and CEO of RESOLVE. "We are thrilled to have Progyny as a partner for NIAW and Night of Hope."

Progyny will be releasing resources during National Infertility Awareness Week to support infertility patients, and their employers, and bring general awareness around the topic.
